

GARY FARRELL

VINEYARDS & WINERY

A PIONEER IN RUSSIAN RIVER VALLEY PINOT NOIR AND CHARDONNAY

The Legacy — In the heart of the beautiful Russian River Valley, Gary Farrell Vineyards and Winery offers a proud winemaking history and a unique sense of place. One of the first to master Pinot Noir in California, Gary Farrell Winery is still defining the category today, capturing the essence of the Russian River Valley in its small-lot, artisan wines that express the balance and stylistic elegance of some of the most prestigious vineyards in this renowned growing region. With a powerful heritage of elite, wine visionaries that include Gary Farrell, Joe Rochioli, Robert Stemmler, Tom Dehlinger and others, this is a winery with “experience” in its DNA.

The Foundation for Excellence — Cool Climate AVA — Towering redwoods and spawning salmon may not conjure prototypical images of California winemaking, but for those with the fortitude and finesse required to work these foggy and often forested hillsides, the rewards are unending. The Russian River’s inexorable fog is the key to the region’s prominence in Pinot Noir and Chardonnay. Classic Russian River Valley weather patterns influenced by the Pacific Ocean bring cooling fog and winds that significantly lower the vine temperatures resulting in a longer growing season of shorter days. The slower ripening process helps create fruit with a bright and vibrant natural acidity, remarkable balance and delightful flavor intensity, thus capturing our distinct style of wine.

Exceptional Grower Relationships — Gary Farrell Winery benefits immeasurably from its long-term relationships (some for over three decades) with many of the Russian River Valley’s most celebrated and sought-after vineyards and viticulturists, including Rochioli, Allen, Hallberg and Westside Farms to name a few. Taken collectively, these stunning vineyard sites create the foundation for wines that speak to the unlimited potential of this premier viticultural region and the wines of Gary Farrell Winery.

Russian River Selection Wines — In an endless quest for the ultimate expression of our Pinot Noir and Chardonnay, our blended wines are crafted first. Each Russian River Selection wine is classically made and carefully blended to express the very best, not of a single vineyard, but of an incomparable region.

Single Vineyard Designate Wines — Our single vineyard bottlings are crafted to capture the elegant, complex expressions of their individual vineyard sites, sourced from marquee vineyards in Russian River Valley.

LOCATED IN THE HEART OF THE BEAUTIFUL RUSSIAN RIVER VALLEY,
GARY FARRELL VINEYARDS AND WINERY OFFERS A PROUD WINEMAKING HISTORY
AND A UNIQUE SENSE OF PLACE IN EVERY GARY FARRELL WINE.
